

MOUNT PISGAH ARBORETUM PLANT LIST

Revised 2011

Names follow Simpson et al. (2002). Vascular Plants of Lane County, Oregon: An annotated checklist. Eugene, OR: Emerald Chapter, Native Plant Society of Oregon. Revised March 2011 following the Oregon Flora Checklist www.oregonflora.org/checklist.php

The list authors have adopted a definition for native or non-native used by the Oregon Flora Project (www.oregonflora.org). Native species are those believed to have occurred in our area prior to Euro-American settlement. Plant species considered native to Oregon appear on the list in the Times New Roman type face. Non-native plant species are those that arrived in Oregon after settlement and include species planted to the Arboretum. Non-native species are identified on the list by bold **Arial** font.

SCIENTIFIC NAME	COMMON NAME
<u>Dennstaedtiaceae</u> Pteridium aquilinum var. pubescens	<u>Bracken Family</u> bracken fern
<u>Dryopteridaceae</u> Athyrium filix-femina var. cyclosorum Dryopteris arguta Polystichum munitum	<u>Wood Fern Family</u> lady fern shield fern western sword fern
<u>Equisetaceae</u> Equisetum arvense Equisetum hyemale var. affine	<u>Horsetail Family</u> common horsetail common scouring rush
<u>Isoetaceae</u> Isoetes nuttallii	<u>Quillwort Family</u> Nuttall's quillwort
<u>Polypodiaceae</u> N Polypodium glycyrrhiza	<u>Polypody Family</u> licorice fern
<u>Pteridaceae</u> Pentagramma triangularis ssp. triangularis	<u>Brake Fern Family</u> goldback fern
<u>Selaginellaceae</u> Selaginella wallacei	<u>Spike Clubmoss Family</u> Wallace's spike clubmoss
<u>Woodsiaceae</u> Cystopteris fragilis	<u>Cliff Fern Family</u> brittle fern

FERN AND FERN ALLIES

Cupressaceae

Calocedrus decurrens
 Chamaecyparis lawsoniana
ryptomeria japonica
Metasequoia glyptostroboides
 Sequoia sempervirens*
 Thuja plicata*

Ginkgoaceae

Ginkgo biloba

Pinaceae

Abies grandis
Picea Pungens
 Picea sitchensis
 Pinus contorta var. contorta
 Pinus ponderosa var. ponderosa
 Pseudotsuga menziesii var. menziesii
 Tsuga heterophylla

Cypress Family

incense cedar
 ort Orford cedar
China fir
dawn redwood
 coast redwood
 western red cedar

Ginkgoaceae

Ginkgo biloba

Pine Family

grand fir
Colorado blue spruce
 Sitka spruce
 shore pine
 ponderosa pine
 Douglas fir
 western hemlock

Aceraceae (See **Sapindaceae**)

Adoxaceae

Sambucus mexicana
 Sambucus racemosa var. arborescens
 Viburnum ellipticum

Amaranthaceae

Dysphania ambrosioides
Dysphania botrys

Anacardiaceae

Toxicodendron diversilobum

Apiaceae

Anthriscus caucalis
Daucus carota
Foeniculum vulgare
 Heracleum lanatum
 Ligusticum apiifolium
 Lomatium triternatum var. triternatum
 Lomatium utriculatum
 Oenanthe sarmentosa
 Osmorhiza berteroi
 Osmorhiza occidentalis
 Osmorhiza purpurea
 Perideridia gairdneri ssp. borealis
 Sanicula bipinnatifida
 Sanicula crassicaulis
Scandix pecten-veneris
Torilis arvensis

Aquifoliaceae

Ilex aquifolium

Asteraceae

Achillea millefolium
 Adenocaulon bicolor
Anthemis cotula
Arctium minus
 Artemisia douglasiana
Bellis perennis
 Bidens cernua
 Bidens frondosa

Maple Family

Moschatel Family

blue elderberry
 red elderberry
 western wayfaring tree

Amaranth Family

Mexican tea
Jerusalem oak

Sumac Family

poison oak

Carrot Family

bur chervil
Queen Anne's lace
sweet fennel
 cow parsnip
 licorice root
 nineleaf lomatium
 spring gold
 Pacific water parsley
 sweet cicely
 western sweet cicely
 purple sweet cicely
 yampah
 purple snakeroot
 western snakeroot
Venus' comb
sock binder

Holly Family

English holly

Sunflower Family

yarrow
 pathfinder
dogfennel
common burdock
 common mugwort
English lawn daisy
 beggarticks
 sticktight

Carduus pycnocephalus
Carduus tenuiflorus
Centaurea cyanus
Cichorium intybus
Cirsium arvense
Cirsium vulgare
Crepis capillaris
Crepis nicaeensis
Crepis setosa
Crepis vesicaria ssp. taraxacifolia
 Erigeron philadelphicus
 Eriophyllum lanatum var. lanatum
 Eucephalus vialis
 Eurybia radulina
 Gnaphalium palustre
 Grindelia integrifolia
 Hieracium albiflorum
Hypochaeris radicata
Lactuca saligna
Lactuca serriola
Lapsana communis
Leontodon saxatilis ssp. saxatilis
Leucanthemum vulgare*
 Madia glomerata
 Madia sativa
 Matricaria discoidea
Mycelis muralis
Senecio jacobaea
Senecio vulgaris
 Solidago lepida var. salebrosa
Sonchus asper
Sonchus oleraceus
 Symphyotrichum hallii
Tanacetum parthenium
Taraxacum officinale
Tragopogon porrifolius
 Xanthium strumarium var. canadense

Berberidaceae

Berberis aquifolium
 Berberis nervosa
 Vancouveria hexandra

Betulaceae

Alnus rhombifolia
 Alnus rubra
 Corylus cornuta var. californica

Boraginaceae

Cynoglossum grande
 Hydrophyllum tenuipes
 Nemophila menziesii var. atomaria
 Nemophila parviflora var. parviflora
 Mertensia platyphylla
Myosotis discolor
 Myosotis laxa
 Plagiobothrys nothofulvus
 Plagiobothrys scouleri var. scouleri

Brassicaceae

Arabidopsis thaliana
 Barbarea orthoceras
Brassica rapa
Capsella bursa-pastoris

Italian thistle*
slender flowered thistle
bachelor button
common chicory
Canada thistle
bull thistle
smooth hawksbeard
French hawksbeard
bristly hawksbeard
weedy hawksbeard
Philadelphia fleabane
 Oregon sunshine
 wayside aster
 rough leaved aster
 lowland cudweed
 WillametteValley gumweed
 white hawkweed
 false dandelion
willow lettuce
prickly lettuce
nipplewort
hairy hawkbit
oxeye daisy
 cluster tarweed
 Chile tarweed
pineapple weed
wall lettuce
tansy ragwort
 common groundsel
Canada goldenrod
prickly sow thistle
 common sow thistle
 Hall's aster
feverfew
common dandelion
salsify, vegetable oyster
 common cocklebur

Barberry Family

tall Oregon grape
 Cascade Oregon grape
 inside-out flower

Birch Family

white alder
 red alder
 wild hazelnut

Borage Family

Pacific hound's tongue
 slender stemmed waterleaf
 baby blue eyes
 small flowered grovelover
 western bluebells
common forget-me-not*
 small forget-me-no
 rusty popcorn flower
 Scouler's popcorn flower

Mustard Family

thale cress
 wintercress
field mustard
 shepherd's purse

Cardamine hirsuta

Cardamine nuttallii var. nuttallii
Draba verna

Hesperis matronalis

Rorippa curvisiliqua
Sisymbrium officinale

Callitricaceae (See **Plantaginaceae**)**Campanulaceae**

Triodanis perfoliata

Caprifoliaceae

Lonicera ciliosa
Lonicera hispidula var. hispidula
Symphoricarpos albus var. laevigatus

Caryophyllaceae

Cerastium arvense
Cerastium fontanum ssp. vulgare
Cerastium glomeratum
Dianthus armeria
Moehringia macrophylla
Moenchia erecta
Saponaria officinalis
Stellaria calycantha
Stellaria media

Chenopodiaceae (See **Amaranthaceae**)**Convolvulaceae**

Calystegia atriplicifolia ssp. atriplicifolia
Convolvulus arvensis

Cornaceae

Cornus mas
Cornus nuttallii
Cornus sericea
Nyssa sylvatica var. typica

Cucurbitaceae

Marah oreganus

Dipsacaceae

Dipsacus fullonum

Ericaceae

Arbutus menziesii
Gaultheria shallon
Pterospora andromedea
Rhododendron occidentale

Fabaceae

Cytisus scoparius
Lathyrus aphaca
Lathyrus hirsutus
Lathyrus holochlorus
Lathyrus latifolius
Lathyrus nevadensis var. nevadensis
Lathyrus sphaericus
Lotus corniculatus
Lotus micranthus

hairy bittercress

spring beauty
spring whitlow grass
dame's rocket
western yellow cress
hedge mustard

Water Starwort Family**Bluebell Family**

clasping Venus' lookingglass

Honeysuckle Family

orange honeysuckle
hairy honeysuckle
snowberry

Pink Family

field chickweed
big chickweed
sticky chickweed
Deptford pink
bigleaf sandwort
munchkin chickweed
bouncing bet
northern starwort
common chickweed

Goosefoot Family**Morning Glory Family**

night blooming morning glory
small bindweed

Dogwood Family

cornelian cherry
Pacific dogwood
red osier dogwood
tupelo; blue gum

Cucumber Family

bigroot, wild cucumber

Teasel Family

teasel

Heath Family

Pacific madrone
salal
pinedrops
western azalea

Pea Family

Scots broom
yellow vetchling
rough peavine
thin leaved peavine
everlasting pea
Sierra peavine
grass peavine
birdsfoot trefoil
small flowered deervetch

Lotus nevadensis var. douglasii
 Lotus purshianus var. purshianus
 Lupinus rivularis
Melilotus albus
 Trifolium albopurpureum var. albopurpureum
 Trifolium albopurpureum var. dichotomum
Trifolium angustifolium
Trifolium campestre
Trifolium dubium
 Trifolium eriocephalum ssp. eriocephalum
Trifolium hybridum
 Trifolium microcephalum
 Trifolium microdon
 Trifolium oliganthum
Trifolium pratense
Trifolium repens
Trifolium subterraneum
 Trifolium variegatum
 Trifolium willdenovii
 Vicia americana var. americana
Vicia cracca
Vicia hirsuta
Vicia sativa var. angustifolia
Vicia tetrasperma

Fagaceae

Castanea dentata
 Quercus garryana var. garryana
 Quercus kelloggii

Fumariaceae (See **Papaveraceae**)

Gentianaceae

Centaurium erythraea
 Zeltnera muehlenbergii

Geraniaceae

Erodium cicutarium
Geranium columbinum
Geranium dissectum
Geranium lucidum
Geranium molle
 Geranium oreganum
Geranium pusillum

Grossulariaceae

Ribes divaricatum var. divaricatum
 Ribes sanguineum var. sanguineum

Hydrophyllaceae (See **Boraginaceae**)

Hydrangeaceae

Philadelphus lewisii

Hypericaceae

Hypericum perforatum

Lamiaceae

Glechoma hederacea
Lamium purpureum
Melissa officinalis
 Mentha pulegium
 Prunella vulgaris var. lanceolata
Prunella vulgaris var. vulgaris
 Satureja douglasii

Nevada deervetch
 Spanish clover
 riverbank lupine
white sweet clover
 rancheria clover
 branched rancheria clover
narrowleaf crimson clover
hop clover
least hop clover
 woolly head clover
alsike clover
 small headed clover
 thimble clover
 few flowered clover
red clover
white clover, Dutch clover
subterranean clover
 white tip clover
 tomcat clover
 American vetch
bird vetch
hairy vetch
common vetch
smooth tare

Oak Family

American chestnut
 Oregon white oak
 California black oak

Bleeding heart Family

Gentian Family

common centaury
 Muehlenberg's centaury

Geranium Family

filaree, stork's bill
long stemmed geranium
cut leaf geranium
shining geranium
dovefoot geranium
 western geranium
small flowered geranium

Currant Family

straggly gooseberry
 red flowering currant

Waterleaf Family

Hydrangea Family

mockorange

St. John's wort Family

Klamathweed, St. John's wort

Mint Family

creeping Charlie
red deadnettle
lemon balm
 Bergamot mint
 pennyroyal
 native heal all
nonnative heal all
 yerba buena

Satureja vulgaris

Scutellaria lateriflora

Stachys cooleyae

Trichostema lanceolatum

Lauraceae

Umbellularia californica

Leguminosae (see **Fabaceae**)**Linaceae**

Linum bienne

Malvaceae

Sidalcea campestris

Sidalcea cusickii

Sidalcea malviflora ssp. virgata

Montiaceae

Calandrinia ciliata

Claytonia perfoliata ssp. perfoliata

Claytonia sibirica

Montia fontana

Montia linearis

Nymphaeaceae

Nuphar polysepala

Oleaceae

Fraxinus latifolia

Onagraceae

Chamerion angustifolium var. canescens

Circaea alpina ssp. pacifica

Clarkia purpurea ssp. quadrivulnera

Clarkia rhomboidea

Epilobium brachycarpum

Epilobium ciliatum ssp. watsonii

Epilobium densiflorum

Orobanchaceae**Parentucellia viscosa**

Triphysaria pusilla

Oxalidaceae

Oxalis oregana

Oxalis suksdorfii

Oxalis trilliifolia

Papaveraceae

Dicentra formosa ssp. formosa

Eschscholzia californica ssp. californica

Phrymaceae

Mimulus alsinoides

Mimulus cardinalis

Mimulus guttatus

Plantaginaceae**Callitriche stagnalis**

Collinsia parviflora

Kickxia elatine**European basil**

mad dog skullcap

giant hedgenettle

vinegar weed

Laurel Family

California bay

Pea Family**Flax Family**

narrow leaved flax

Mallow Family

meadow sidalcea

Cusick's sidalcea

rose checkermallow

Montia Family

red maids

miner's lettuce

candyflower

water chickweed

narrowleaved montia

Waterlily Family

yellow pondlily

Olive Family

Oregon ash

Evening Primrose Family

fireweed

enchanter's nightshade

fourspot

common clarkia

tall annual willowherb

Watson's willowherb

close flowered boisduvalia

Broomrape Family**yellow parentucellia**

dwarf owl clover

Woodsorrel Family

Oregon oxalis

western yellow oxalis

trillium leaved wood sorrel

Poppy Family

bleeding heart

California poppy

Lopseed Family

chickweed mimulus

red monkeyflower

yellow monkeyflower

Plantain Family**pond water starwort**

small flowered blue eyed Mary

sharp leaved fluellin

Plantago lanceolata
Plantago major
 Synthyris reniformis
 Tonella tenella
 Veronica americana
Veronica arvensis
Veronica persica
Veronica serpyllifolia var. serpyllifolia

Polemoniaceae

Leptosiphon bicolor
 Navarretia intertexta ssp. intertexta

Polygonaceae

Persicaria amphibia
Persicaria hydropiper
Persicaria maculosa
Polygonum aviculare ssp. depressum
 Polygonum spergulariaeforme
Rumex acetosella
Rumex conglomeratus
Rumex crispus

Portulacaceae

Portulaca oleracea

Primulaceae

Anagallis arvensis
Centunculus minimus
 Dodecatheon hendersonii
Lysimachia nummularia
 Trientalis latifolia

Ranunculaceae

Aquilegia formosa
 Delphinium menziesii
 Delphinium trolliifolium
Ranunculus acris
 Ranunculus alismifolius var. alismifolius
 Ranunculus aquatilis var. diffusus
Ranunculus muricatus
 Ranunculus occidentalis
 Ranunculus orthorhynchus var. orthorhynchus
Ranunculus repens
 Ranunculus uncinatus
 Thalictum occidentale
 Thalictum polycarpum

Rhamnaceae

Rhamnus purshiana

Rosaceae

Amelanchier alnifolia var. semiintegrifolia
Aphanes arvensis
Cotoneaster horizontalis
Crataegus monogyna
Crataegus monogyna × Crataegus suksdorfii
 Crataegus suksdorfii
 Drymocallis glandulosa var. glandulosa
 Fragaria vesca ssp. bracteata
 Fragaria virginiana ssp. platypetala
 Geum macrophyllum var. macrophyllum
 Holodiscus discolor var. discolor
 Oemleria cerasiformis

English plantain
common plantain
snow queen
 baby innocence
 American brooklime
common speedwell
Persian speedwell
thyme leaved speedwell

Phlox Family

two colored linanthus
 needle leaved navarretia

Buckwheat Family

water smartweed
smartweed
lady's thumb
prostrate knotweed
 fall knotweed
sour dock
clustered dock
curly dock

Purslane Family

common purslane

Primrose Family

scarlet pimpernel
chaffweed
 Henderson's shooting star
moneywort, creeping Jenny
 western starflower

Buttercup Family

red columbine
 Menzies' larkspur
 tall larkspur
meadow buttercup
 water plantain buttercup
 filiform dissected water buttercup
 spiny fruited buttercup
western buttercup
 straightbeak buttercup
creeping buttercup
 woods buttercup
 western meadowrue
 tall western meadowrue

Buckthorn Family

Cascara

Rose Family

serviceberry
field parsley
horizontal cotoneaster
English hawthorn
hybrid hawthorn
Suksdorf's hawthorn
 sticky cinquefoil
 western woods strawberry
 mountain strawberry
 large leaved avens
 ocean spray
 osoberry

Physocarpus capitatus
 Potentilla gracilis var. gracilis
 Poteridium occidentale
Prunus avium
Prunus cerasifera
Prunus domestica
 Prunus emarginata var. mollis
 Prunus virginiana var. demissa
Rosa eglanteria
 Rosa gymnocarpa
Rosa multiflora
 Rosa nutkana var. nutkana
 Rosa pisocarpa
Rubus bifrons
Rubus laciniatus
 Rubus leucodermis
 Rubus parviflorus
 Rubus ursinus
 Spiraea douglasii var. douglasii

Rubiaceae

Galium aparine
 Galium trifidum var. pacificum
 Galium triflorum
Sherardia arvensis

Salicaceae

Populus trichocarpa
 Salix exigua ssp. exigua
 Salix hookeriana
 Salix lasiandra var. lasiandra
 Salix scouleriana
 Salix sessilifolia
 Salix sitchensis

Santalaceae

Phoradendron villosum

Sapindaceae

Acer circinatum
 Acer macrophyllum

Saxifragaceae

Lithophragma parviflorum
 Micranthes integrifolia
 Micranthes oregana
 Tellima grandiflora
 Tolmiea diplomenziesii

Scrophulariaceae

Verbascum blattaria
 Verbascum thapsus

Solanaceae

Solanum dulcamara
 Solanum nigrum

Urticaceae

Urtica dioica ssp. gracilis

Valerianaceae

Plectritis congesta

Pacific ninebark
 slender cinquefoil
 western burnet
sweet cherry
cherry plum
common plum
 bittercherry
 common chokecherry
sweetbrier rose
 baldhip rose
multiflora rose
 Nootka rose
 clustered wild rose
Himalayan blackberry
evergreen blackberry
 blackcap raspberry
 thimbleberry
 Pacific dewberry
 hardhack, Douglas' spiraea

Madder Family

bedstraw
 small bedstraw
 sweet scented bedstraw
blue field madder

Willow Family

black cottonwood
 coyote willow
 Hooker's willow
 Pacific willow
 Scouler's willow
 soft leaved willow
 Sitka willow

Sandlewood Family

oak mistletoe

Soapberry Family

vine maple
 bigleaf maple

Saxifrage Family

woodland star
 common western saxifrage
 Oregon saxifrage
 fringe cup
 piggyback plant

Figwort Family

moth mullein
 common mullein

Nightshade Family

bitter nightshade
 black nightshade

Nettle Family

stinging nettle

Valerian Family

rosy plectritis

Valerianella locusta**Violaceae**

Viola glabella

Viola odorata

Viola praemorsa ssp. praemorsa

Viscaceae (See **Santalaceae**)**European corn salad****Violet Family**

wood violet

English violet

upland yellow violet

Mistletoe Family**Alismataceae****Alisma lanceolatum****Amaryllidaceae**

Allium amplexans

Araceae

Lemna minor

Lysichiton americanus

Spirodela polyrrhiza

Asparagaceae Family

Brodiaea elegans var. hooveri

Camassia leichtlinii ssp. suksdorfii

Camassia quamash ssp. maxima

Dichelostemma congestum

Maianthemum dilatatum

Maianthemum racemosum ssp. amplexicaule

Maianthemum stellatum

Polygonatum biflorum

Triteleia hyacinthina

Cyperaceae

Carex athrostachya

Carex densa

Carex feta

Carex hassei

Carex hendersonii

Carex interrupta

Carex leptopoda

Carex leporina

Carex nudata

Carex obnupta

Carex pachystachya

Carex stipata var. stipata

Carex tumulicola

Eleocharis bella

Eleocharis obtusa

Eleocharis palustris

Scirpus microcarpus

Schoenoplectus tabernaemontani

Water Plantain Family**water plantain****Amaryllis Family**

slim leaf onion

Arum Family

water lentil

skunk cabbage

greater duckweed

Asparagus Family

harvest brodiaea

large camas

camas

cluster lily, ookow

false lily of the valley

large false Solomon's seal

small false Solomon's seal

eastern Solomon's seal

hyacinth triteleia

Sedge Family

slenderbeak sedge

dense sedge

green sheathed sedge

false golden sedge

Henderson's sedge

green fruited sedge

Dewey's sedge

hare's foot sedge

torrent sedge

slough sedge

thick headed sedge

sawbeak sedge

foothill sedge

delicate spikerush

blunt spikerush

creeping spikerush

small fruited bulrush

tule, softstem bulrush

Hydrocharitaceae

Elodea canadensis

Iridaceae

Iris douglasiana

Iris tenax var. tenax

Sisyrinchium idahoense var. idahoense

Juncaceae

Juncus articulatus ssp. articulatus

Juncus bolanderi

Juncus bufonius

Juncus effuses var. pacificus

Juncus nevadensis var. nevadensis

Juncus patens

Juncus tenuis

Luzula comosa var. comosa

Lemnaceae (See **Araceae**)**Liliaceae**

Calochortus tolmiei

Erythronium oregonum

Erythronium revolutum

Fritillaria affinis

Lilium columbianum

Prosartes hookeri

Prosartes smithii

Streptopus amplexifolius

Melanthiaceae

Trillium albidum

Trillium ovatum ssp. ovatum

Toxicoscordion venenosum

Orchidaceae

Calypso bulbosa var. occidentalis

Corallorhiza striata var. striata

Goodyera oblongifolia

Piperia elegans ssp. elegans

Spiranthes romanzoffiana

Poaceae**Agrostis capillaris**

Agrostis exarata

Aira caryophyllea var. caryophyllea**Alopecurus pratensis****Anthoxanthum odoratum****Arrhenatherum elatius ssp. bulbosum****Avena fatua****Brachypodium sylvaticum****Briza minor****Bromus diandrus**

Bromus carinatus var. marginatus

Bromus hordeaceus

Bromus sitchensis

Bromus sterilis

Bromus vulgaris

Cynosurus cristatus**Cynosurus echinatus****Dactylis glomerata**

Danthonia californica

Frog's Bit Family

Canadian waterweed

Iris Family

Douglas iris

Oregon iris

blue-eyed-grass

Rush Family

jointed rush

Bolander's rush

toad rush

soft rush

Sierra rush

spreading rush

slender rush

field woodrush

Duckweed Family**Lily Family**

cat's ear

giant fawnlily, lamb's tongue

coast fawnlily

mission bells, rice root

tiger lily

fairy bells

fairy lanterns

twisted stalk

Bunchflower Family

giant trillium

western trillium

death camas

Orchid Family

fairy slipper

striped coralroot

rattlesnake plantain

hillside rein orchid

hooded lady's tresses

Grass Family**colonial bentgrass**

spike bentgrass

silvery hairgrass**meadow foxtail****sweet vernalgrass****tall oatgrass****wild oat****falsebrome****little quakinggrass****rippgut brome**

California brome

soft brome

Alaska brome

barren brome

Columbia brome

crested dogtail**hedgehog dogtail****orchard grass**

California oat

Deschampsia cespitosa
 Deschampsia danthonioides
 Deschampsia elongata
 Dichanthelium acuminatum var. fasciculatum

Digitaria sanguinalis

Echinochloa crus-galli

Elymus glaucus ssp. glaucus

Festuca californica var. californica

Festuca roemerii var. roemerii

Festuca rubra ssp. rubra

Holcus lanatus

Hordeum brachyantherum

Hordeum murinum ssp. murinum

Lolium multiflorum

Lolium perenne

Melica subulata

Panicum capillare ssp. capillare

Phalaris arundinacea var. arundinacea

Phleum pratense

Poa annua

Poa compressa

Poa trivialis ssp. trivialis

Schedonorus arundinaceus

Taeniatherum caput-medusae

Triticum aestivum

Ventenata dubia

Vulpia myuros

Potamogetonaceae

Potamogeton crispus

Sparganiaceae

Sparganium emersum

grasstuffed hairgrass

annual hairgrass

slender hairgrass

western witchgrass

hairy crabgrass

barnyard grass

blue wildrye

California fescue

Roemer's fescue

red fescue

velvet grass, yorkshire fog

meadow barley

mouse barley

annual ryegrass

perennial ryegrass

Alaska oniongrass

witchgrass

reed canary grass

cultivated timothy

annual bluegrass

Canada bluegrass

roughstalk bluegrass

tall meadow fescue

medusahead wildrye

cultivated wheat

ventenata

foxtail fescue

Pondweed Family

curled pondweed

Burreed Family

simplestem burreed
